## Product Designer - Pressreader Edtech

*Jan 2020 – Nov 2021, two years*

Secured over \$500K in new revenue and publisher buy-in by pitching high fidelity mockups. Responsible for leading design of e-reading web app, populating design systems, and facilitating 30+ user interviews.

## Motion Design Volunteer - TEDx SFU

*June 2019, seven months*

Crafted motion graphics to promote annual conference and entertain 350+ attendants. Collaborated with 4 different teams to finalize brand visuals. Piloted slides for the main event from back of house.

## Motion Production Intern - Shaw TV Nanaimo

*June 2018, three months*

Designed customizable motion graphic templates for country-wide online releases. Edited ads for local TV. Assisted live shoots by controlling live graphics, managing equipment, and operating cameras.

## Inclusion Facilitator - George Pringle Camp

*June 2017, three months*

Made overnight camping more accessible to children with disabilities by providing 1-on-1 support all week. Coordinated with parents and staff to ensure child's safety during rock climbing, crafts, archery, and more.

## Education

### School of Interactive Art and Technology

Simon Fraser University, Canada

*2015 – 2022 ongoing*

Graduating June 2022 with a Bachelor of Arts. Achieved a dual concentration in Experience Design and Media Arts.
