Work Experience

Product Designer - Pressreader

Jan 2020 - Present

Designed responsive web, tablet, and mobile apps for K-12 classroom learners. Led user research efforts by conducting 15+ interviews. Hosted PMs and senior consultants in UX strategy workshops that opened new revenue opportunities.

Videography Volunteer - Bill Reid Gallery

Jan 2019 - May 2019

Produced a documentary in collaboration with an ongoing gallery exhibit. Organized shoots and permits at 2 locations, recording sound each time. Edited a narrative using audio transcripts that won "Best Sound" at an SFU film festival.

Motion Production Intern - ShawTV

Jun 2018 - Aug 2018

Edited ads for TV and designed motiongraphic templates for country-wide online release. Simultaneously assisting in live shoots and interviews as a production assistant.

Media Production Volunteer - Crucible Radio

Nov 2016 - 2018

Produced outro segments used in weekly content releases while editing video podcasts for 8.5k+ Youtube subscribers.

Education

School of Interactive Art and Technology, Simon Fraser University

Sep 2015 - 2022 Projected

Set to graduate in 2021 (one semester remaining) with a dual concentration BA in Experience Design, and Media Arts.
