## About me:

I'm a 5th year Media Design student aspiring to foster understanding across audiences using motion-graphic communication. I excel within competitive atmospheres by developing my teams as much as my products.

## Media Skills

Motion design  
Graphic design  
Video editing  
Sound design  
Equipment care  
Photography

## Programs

Premiere  
After Effects  
Audition  
Illustrator  
Maya  
Protools  
Max8 msp

## Interests

Destiny 2 pvp  
Autism advocacy  
Hockey (left wing)  
D&D podcasts  
Math rock

## Experience

### Volunteer Videographer

#### Bill Reid Gallery of Northwest Coast Art — Spring 2019

- Shot and edited a Micro-Documentary for use as a gallery exhibit in 2020.
- Iterated projects through moodboards, storyboards, and rough cuts.
- Organized schedules of team members, clients, and locations to set up 3 shoots.
- Recorded and edited sound, winning 'Best Sound' at an SFU film festival.

### UX Designer

#### Interactive Objects and Environments, SFU — Fall 2018

- Researched real clients to find gaps between business goals and user frictions.
- Developed low + high fidelity UI prototypes and mockups through 5 day sprints.
- Created concept + Walkthrough videos for weekly presentations.

### Motion Production Intern

#### Shaw TV Nanaimo — Summer 2018

- Designed a motion-graphic elements package now in use across Canada.
  - Produced intros, chyrons, titles, and credits for live television.
- Streamlined setup/takedown as production assistant on live shoots.

### Media Design Volunteer

#### Crucible Radio Podcast — 2016-2018

- Created outro segments used in weekly video podcasts from May 2017 onwards.
- Edited video podcasts for an audience of over 8.5k Youtube channel subscribers.

## Education

### Bachelor of Arts

#### Simon Fraser University — 2015-Ongoing

- Pursuing a design concentration, projected graduation 2020.
- Dean's Honour Roll fall 2017.
